Digital Solutions

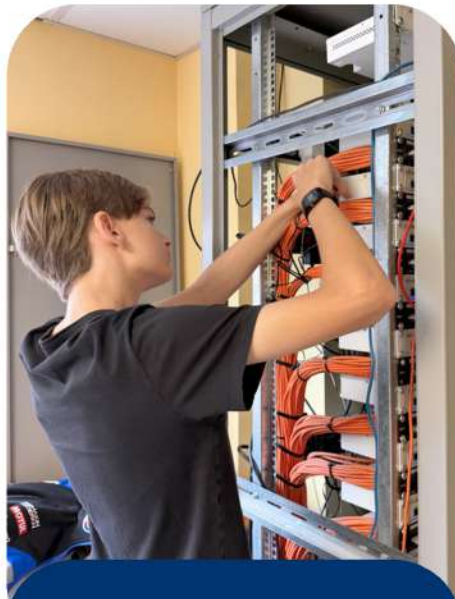

VI - 2026

Who We Are

At Stradcom, we provide complete digital and IT solutions tailored to modern businesses. We combine technical expertise with creative thinking to support our clients across every stage of their journey.

Whether it's building a brand, setting up systems, or improving day-to-day operations, our goal is to deliver solutions that are practical, reliable, and designed to support real business growth.

What We Do

IT Support & Infrastructure

Web Design & Hosting

Branding & Graphic Design

Print & Branded Materials

IT Support & Infrastructure

We offer a full range of services designed to cover all your business needs in one place.

From technical infrastructure to creative design, our integrated approach ensures consistency, efficiency, and high-quality results across everything we deliver.

Office Setup

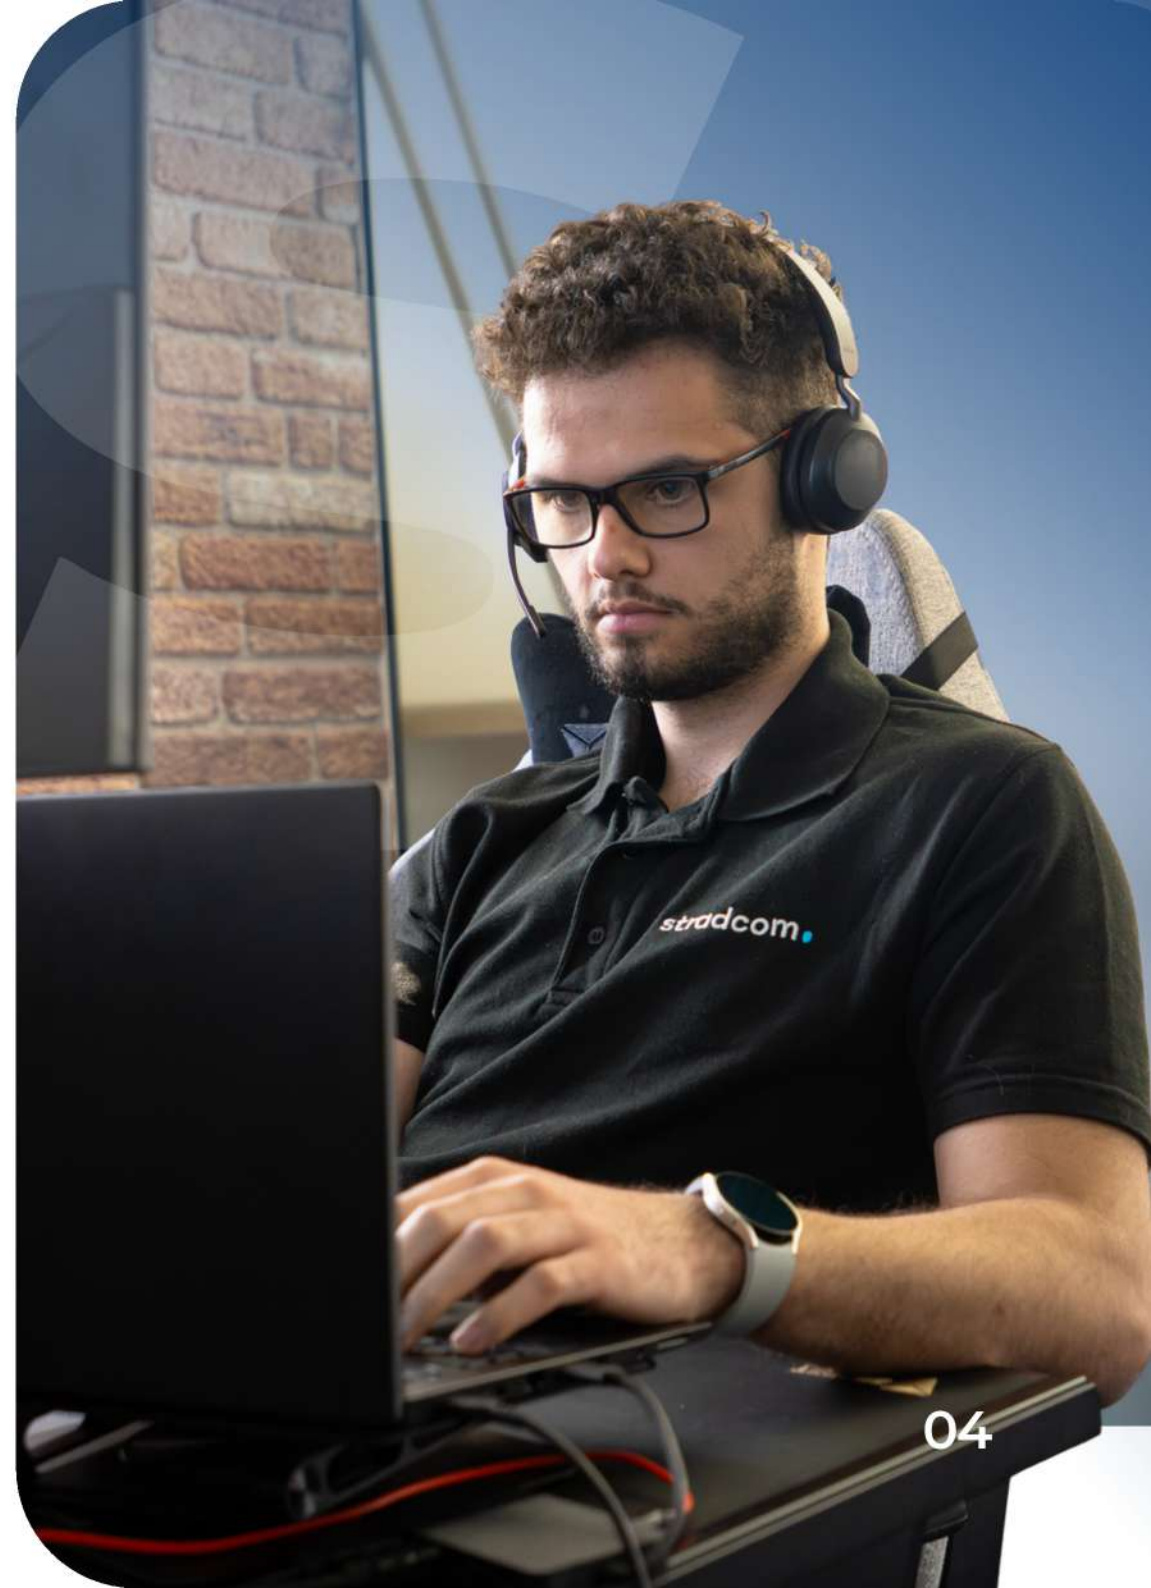

Hardware upgrades

Network & servers

Ongoing Support

> **Secure hosting** > **Fast performance** > **Maintenance**

Hosting & Servers

Our hosting and server solutions are designed to keep your website fast, secure, and always accessible. We provide reliable infrastructure, ongoing monitoring, and maintenance to ensure optimal performance at all times.

Web Design & Development

We design and build modern, responsive websites that reflect your brand and provide a seamless user experience. Our focus is on creating clean layouts, clear navigation, and strong visual structures that help visitors understand your services and take action.

> **Custom Websites**

> **User-friendly layout**

> **Responsive design**

> **SEO-ready structure**

Branding & Graphic Design

We create strong, consistent brand identities that help businesses stand out and communicate effectively. From logo design to full brand systems, we ensure every visual element aligns with your brand's personality and values.

The image shows four vertical panels, each with a rounded top and a dark blue base containing a white label. The first panel shows a logo design grid with the word 'stradcom' at the top and a large blue 'S' logo below it. The second panel shows brand identity items: a green lanyard with a white 'S' and a blue ID badge with a photo and the 'stradcom' logo. The third panel shows a marketing asset: a blue and white brochure titled 'stradcom DIGITAL SOLUTIONS'. The fourth panel shows a social media post on a smartphone screen with the text 'Upgrade your Business.' and a dog image.

WHAT OUR CLIENTS SAY

Andres was great throughout the design process, responding quickly and tailoring the design to my expectations and beyond. I'd happily recommend Stradcom for design.

Joanne Wingfield

Callum was brilliant - resolved my issues quickly and efficiently. would highly recommend!

Lee Kennedy

Excellent service. Really helpful, highly recommended. Keep our business updating to improve our services.

CJ Appliances Ltd

Stradcom host my website and email addresses, Stradcom sort out any IT issues I have, my company's working relationship with Stradcom is seamless because of their service.

David Lyons
