**Bringing Creative & Tech Together**

# Who We Are

At Stradcom, we provide complete digital and IT solutions tailored to modern businesses. We combine technical expertise with creative thinking to support our clients across every stage of their journey.

Whether it's building a brand, setting up systems, or improving day-to-day operations, our goal is to deliver solutions that are practical, reliable, and designed to support real business growth.

**full-service IT & digital solutions**

# What We Do

Stradcom brings essential business services together under one roof, making it easier for companies to access the support they need without dealing with multiple suppliers.

We are here to make it happen, keeping things simple and reliable.

## IT Support & Infrastructure

Reliable technical support, office setup, hardware, networks and more.

## Web Design & Hosting

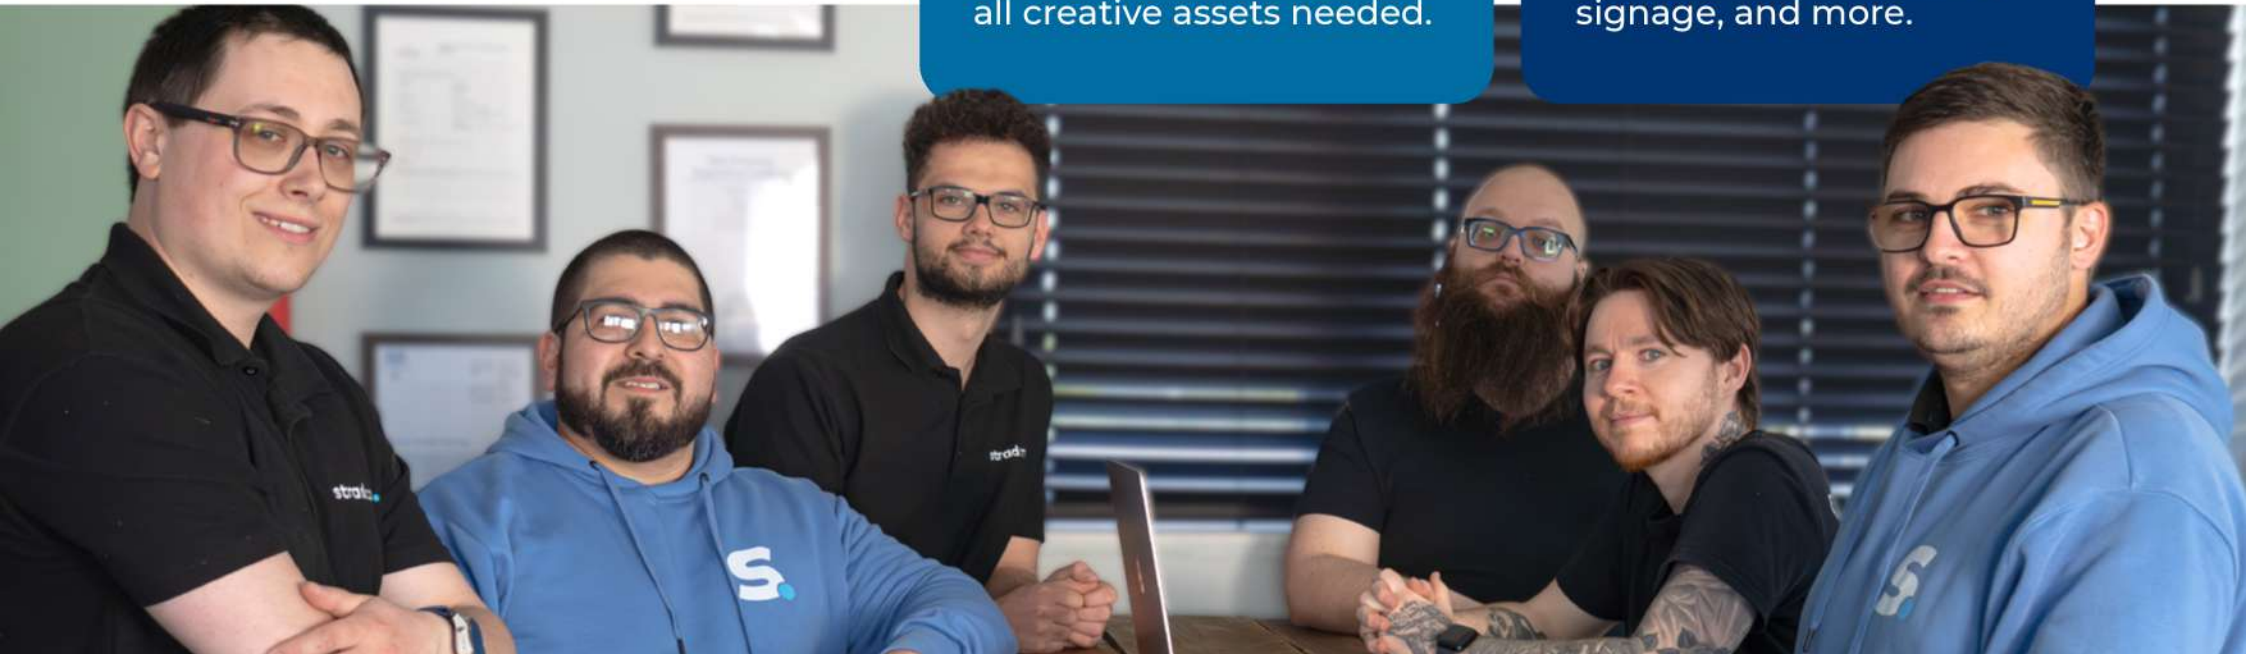

Modern websites, secure hosting, maintenance, keep your business online.

## Branding & Graphic Design

Professional brand identities, logo design and all creative assets needed.

## Print & Branded Materials

Business stationery, workwear, merchandise, signage, and more.

# Meet The Team

Behind every Stradcom service is a friendly, skilled team focused on helping businesses work smarter, look professional, and stay supported.

From technical support and infrastructure to design, websites, hosting, and content creation, our team brings together different strengths to deliver complete digital solutions from one place.

**making technology simple**

# IT Support & Infrastructure

Strong IT systems are essential for keeping your business running smoothly. At Stradcom, we provide practical, responsive, and reliable IT support tailored to the needs of your business.

We focus on making technology simple and dependable, so your team can work with confidence and avoid unnecessary downtime.

**01 Office Setup**  
Complete setup for workstations, devices, software, connectivity, and business systems.

**03 Network & Servers**  
Reliable infrastructure for secure connections, access, storage, and continuity.

**02 Hardware Upgrades**  
Computers, equipment, improvements, replacements, and installations.

**04 Ongoing Support**  
Friendly, responsive support whenever your business needs technical assistance.

### **Secure Hosting**

Reliable hosting environments built to protect your website and business data.

### **Fast Performance**

Optimised infrastructure designed to keep your website responsive and accessible.

### **Maintenance**

Ongoing updates, monitoring, and technical support to keep everything running smoothly.

# **Hosting & Servers**

Your website and digital systems need reliable foundations. Our hosting and server solutions are designed to keep your business online, secure, and performing at its best.

Whether you need website hosting, business email support, secure backups, or managed server solutions, Stradcom gives you the stability and support your business needs.

# Web Design & Development

Your website is often the first impression customers have of your business. At Stradcom, we design and build modern, responsive websites that look professional, communicate clearly, and help users take action.

**Custom Websites**

**User-Friendly Layout**

**Responsive Design**

**SEO-Ready Structure**

# Branding & Graphic Design

A strong brand helps your business look professional, communicate clearly, and stay memorable. At Stradcom, we create consistent visual identities that reflect who you are and connect with the customers you want to reach.

## Logo Design

Representing your business clearly and memorably.

## Brand Identity

Colours, typography, visual style, and brand guidelines.

## Marketing Assets

Flyers, brochures, banners, adverts, and more.

## Social Media

Branded visuals keeping your online presence consistent.

# Content Creation & Photography

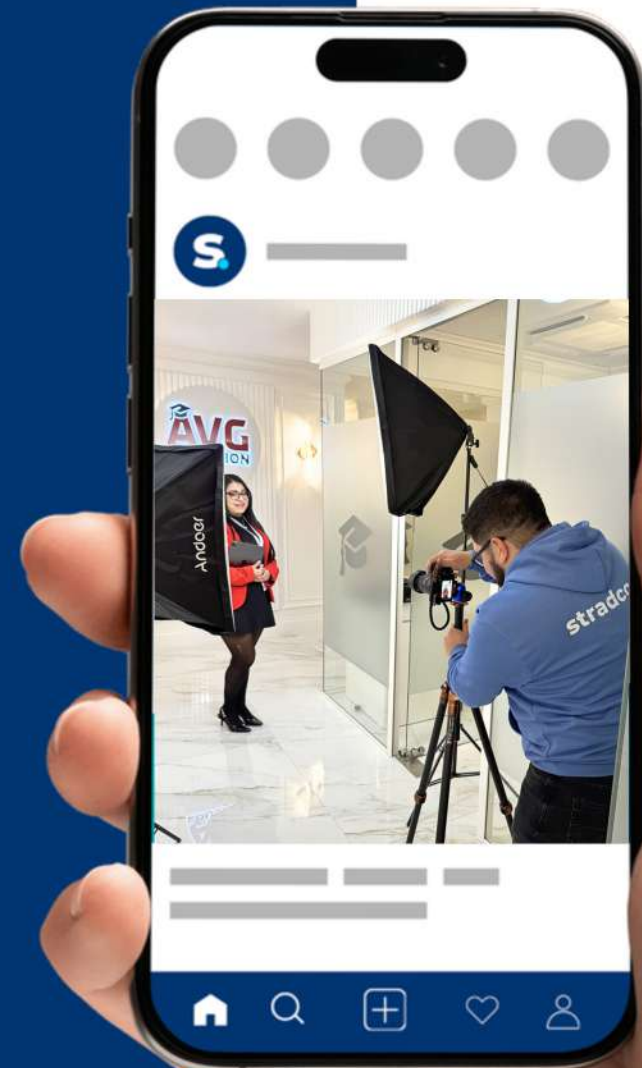

High-quality visual content helps people understand your business, trust your team, and connect with your services. At Stradcom, we provide photography and content creation that showcases your business in a professional and authentic way.

Our goal is to help your business look active, approachable, professional, and ready to be seen.

 **Corporate Photos**

 **Product/Service Shots**

 **Social Media Content**

# Print & Branded Assets

From design to print, Stradcom helps businesses create high-quality branded materials that make a strong impression in the real world. We produce professional print and promotional items that support your marketing, sales, events, customer communication, and day-to-day business presence.

## Result

A polished and consistent brand presence across digital, printed, and physical materials, helping Thurrock Contracts look professional from day one.

# What our Clients have to say

Andres was great throughout the design process, responding quickly and tailoring the design to my expectations and beyond. I'd happily recommend Stradcom for design.

**Joanne Wingfield**

Callum was brilliant - resolved my issues quickly and efficiently. would highly recommend!

**Lee Kennedy**

Excellent service. Really helpful, highly recommended. Keep our business updating to improve our services.

**CJ Appliances**

Stradcom host my website and email addresses, Stradcom sort out any IT issues I have, my company's working relationship with Stradcom is seamless because of their service.

**David Lyons**

# Why Choose Us?

Choosing the right support partner

the right support partner can make a big difference to how your business operates, communicates, and grows. At Stradcom, we offer more than individual services, we provide joined-up solutions that bring technology, design, and business support together.
